## ● ABOUT ME

A detail-oriented and self-motivated Front-End Developer with practical experience in developing responsive web interfaces using HTML, CSS, JavaScript, ReactJS. Passionate about creating modern, user-friendly UI and enhancing user experience. Actively seeking a Front-End Developer role in a company focused on innovation and impactful user interfaces.

## ● EDUCATION AND TRAINING

08/10/2021 – 05/07/2025 Mansehra, Pakistan

**BACHELOR OF SCIENCE IN SOFTWARE ENGINEERING** Hazara University Mansehra

**Website** <https://www.hu.edu.pk/> | **Field of study** Software and applications development and analysis | **Final grade** A |

**Thesis** MedHub

## ● WORK EXPERIENCE

🏢 **SAQIB HANIF** – MANSEHRA, PAKISTAN

**WEB DEVELOPER** – 01/05/2025 – CURRENT

During my internship, I gained valuable exposure to both technical and professional skills. I experienced how teamwork operates in a real work environment and learned effective coordination with colleagues. On the technical side, I explored React along with Material UI and Tailwind CSS for building modern and responsive interfaces. I also became familiar with Jira for project management and task tracking. Overall, this internship enhanced my collaboration skills, strengthened my technical abilities, and gave me practical insight into working within a team-driven environment.

## ● PROJECTS

01/06/2025 – CURRENT

**NovaX-Job-Portal**

**NovaX Job Portal** A responsive and modern job marketplace web application developed using React, Vite, TailwindCSS, and Framer Motion. The platform enables employers to register, post jobs and manage their company profiles through a dashboard. Designed with smooth animations, mobile-friendly UI, and optimized for performance, the project is deployed live on GitHub Pages with custom routing support.

10/08/2025 – 11/08/2025

**Portfolio-Website**

**Portfolio Website** Designed and developed a responsive, modern portfolio website showcasing personal projects, skills, and experience. Implemented a dark/light mode toggle, smooth animations, and aesthetic UI using React.js, Tailwind CSS, and Framer Motion. Integrated a contact form with EmailJS for direct communication, ensuring fast load times and mobile-friendly design.
